Re: Support Healing Crowns for Kids

Dear Community Partner,

Bright Light Children's Foundation invites you to support Healing Crowns for Kids. Our program helps eligible children experiencing medically related hair loss access cranial prostheses, personalized fitting support, and essential care resources at no cost to their families.

Hair loss caused by illness or treatment can affect a child's confidence at a difficult time. A gift of any amount helps the foundation meet approved program costs, including a child's prosthesis, fitting, care supplies, and delivery when needed.

We review applications using consistent eligibility criteria, document each award, and use charitable funds for the foundation's mission. You may give in honor of someone, make a one-time gift, or ask us about an in-kind contribution. We will provide an acknowledgment for gifts received.

If you would like to help, please contact me at brightlightcf@gmail.com so I can share the foundation's donation instructions. Thank you for helping children feel seen, supported, and confident.

With appreciation,

Fedora McGill

Director | Bright Light Children's Foundation
